REVIEWS

Love our shutters! Would highly recommend Jon and crafted shutters to anyone - great service and product!

Great company to deal with. Jonathan is a really nice guy who supplies a quality product at a great price!

Amazing service and the shutters are top quality. Jonathan was very helpful and considerate.

British Made Shutters

Our hand-crafted British made fauxwood shutters are made from a composite material. A resilient, durable finish which will not fade, crack, chip or warp. Cleaning is simple too and require very little maintenance.

- Made in Britain with a 6 week turnaround
- Available in Snow White or you can upgrade to any colour chart or RAL i.e. Farrow and ball, Dulux etc.
- Available in 63, 76 and 89mm Louvres
- Perfect for rooms of moisture such as kitchens and bathrooms
- Made from a durable PVC composite material
- 10 year warranty
- Great insulation properties
- UV protected

Our S-Craft Range

Our shutters are available in 7 different materials. Ranging from MDF and traditional hardwood shutters to our 100% waterproof Java range and our aluminium security shutters. Offering you the widest range available catering to your needs.

Why Shutters?

Light Control

Our made to measure wooden plantation window shutters will provide not only a perfect fit, but will allow you to control incoming light. Ideal for reducing glare on computer and TV screens, as well as fading of furniture and fabrics

Adding Value

It is also a fact that house buyers love them, resulting in an enhanced resale value should you ever sell your property

Privacy

If your home is overlooked by neighbours or passers-by, wooden plantation window shutters will allow you to see out and stop others from seeing in

Child Safe

Clean and simple. No risk of accidents relating to hazardous cords or chains. Wooden plantation window shutters keep the room cool when it is hot outside and prevent heat loss in the winter. Shutters do not take up any space. Shutters provide an extra layer to protect children, even when the window is open.

Low Maintenance

Just a quick wipe with a cloth will keep your made to measure wooden plantation window shutters hygienically clean.

Sound Insulation

The extra layer between the glass and the room will help to keep external noise to a minimum, with the bonus that window shutters are an excellent deterrent to would be burglars

Insulation

That same extra layer will keep the heat in during winter, lowering heating bills and out during summer, reducing the need for air conditioning and fans

Warranty

Our ranges are fully guaranteed with 5 years manufacturer warranty on our S-Craft Range and 10 year manufacturer warranty on the British made range adding peace of mind for your purchase.

If you are looking for a shutter company for your project in Manchester, Stockport or anywhere in Cheshire please request a quote for your new shutters.

**We work on projects across the area with happy customers in Bramhall, Bolton, Bury, Macclesfield, Marple, Wilmslow, Worsley and throughout the region.
